

AMENDMENTS TO THE SPECIFICATION

Please replace the paragraph beginning on page 6, line 23 and continuing on to page 7, line 4 with the following amended paragraph:

A second protrusion 51 ~~first clamp groove~~ 42 is formed on the upper surface of the second clamp 5 that matches the groove on the bottom side of the solid wood panel as shown in FIGS. 11, 12. A groove 52 is formed at the inner side of the second clamp 5 and matches the tongue 43 of the first clamp 4 for engaging into each other. In addition, a second clamp groove 53 is formed inside the second clamp 5.
